PINAL PREDICTIONS ARE BEING REALIZED

Early predictions that when the proper amount of work had been done, the claims of the Pinal Development company would show great results, are by way of being borne out. The element of risk attached to the venture seems much diminished by recent rare developments.

Considerable work has been done on the property, and it is being proven by intermediate tunnels at lower elevations. J. C. Devine, under whose management the property is being explored, has entire confidence in it, and declares that the Pinal-Christmas district will soon be among the paying districts of the state. The high grade ore body is being encountered at an average depth of about 500 feet.

According to Secretary C. T. Carpenter, the financing work of the company is being completed. He expects to leave shortly for New York and quotations on the curls on Pinal are to be expected shortly.

President Devine states that all necessary machinery will be installed, and that other work will be undertaken on a big scale.

RED SKINS TO PREDOMINATE IN MARATHON

TUCSON, Ariz., Oct. 12.—Appeals for paleface long distance runners to uphold the honor of the white race in the coming San Xavier marathon at Tucson, Thursday, October 26, are being made by local sport fans who fear that all of the prizes of the event will be captured by Redskins.

Last year Bill Ahrens, southwestern champion, won first but the other two places were taken by Santiago, a desert Papago from Indian Oasis, and Blackwater, a Pima from Sacton. This year the Indians threaten to take all the places, and are after Ahrens' scalp especially.

In the shadow of the historic San Xavier Mission, Charlie Solis, a Cherokee, is training four Papagos for the race, and in the desert southwest of the city other Indian lads are getting ready for the ten mile grind against the white competitors.

The prize money will be \$150 split four ways with a first prize of \$75. The entrance fees of \$1 will be added to the purse. Entries should be made to Manager Ralph E. Herron, Tucson. The race is under the auspices of the Southern Arizona fair and is the first day.

CLASSMEN BATTLE TO 0-0 TIE ON GRIDIRON

Sophomores and Freshmen clashed on the gridiron field yesterday at the high school athletic field. It was the fastest and most sensational game ever played between classes. Both teams failed to put the pigskin between the goal posts.

Caplain Bryant carried the ball 45 yards and made a touchdown, but was penalized for having only six men on the scrimmage line. The Sophs went wild and nearly hanged Referee Ellis to death.

First Quarter
The Sophs won the kickoff. Abraham sent the ball high and far over the Freshies. Bryant received the ball and carried it 39 yards. Bryant got a beautiful pass of 25 yards to Snyder, who carried the ball 15 yards. Javies fumbled the ball, and Abraham continually gained long distances. Line plunges and big end runs. Freshies were penalized 10 yards as Javies was continually offside.

Second Quarter
Abraham opened the second quarter with a 20-yard run. The Sophs now had the ball within 10 yards of the Freshies' goal. Bryant failed, and the Freshies took the ball. Bryant carried the ball down the field 45 yards, but was offside. Bryant then sent a beautiful pass to McAfee, who carried the ball 39 yards.

Third Quarter
The Freshies kicked off poorly. Kennedy recovered, but the Freshies stood within the 5-yard line and Bryant failed to make the gain in the fourth down. Soph took the ball and punted within the 45-yard line of the opposing team's goal. The center dropped the ball and the kids recovered. Bryant carried the ball for a 45-yard touchdown, but failed to have it counted as touchdown, as there was only six men on the scrimmage line.

Fourth Quarter
The Freshies lost the first four downs. Bryant came back stronger with violent line plunges. Snyder was offside and penalized 10 yards. Craft of the Sophs made 45 yards on the fourth down. Both teams were trying for a violent line plunges. Snyder was to remain at a standstill. And the final whistle sounded good to both teams.

Score by quarters: Freshmen 0 0 0 0—0
Sophomores 0 0 0 0—0
